

HERE ARE EXAMPLES OF GOOD AND BAD PRACTICE

Ideal dropped kerb with tactile surface

Ramp with rail to entrance

Even the smallest step can be a barrier

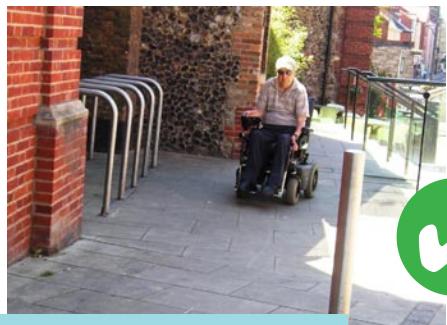

Anyone for the bumps !!!

Symbol is good but the door handles are too high

If a man can be put on the moon, is it asking too much, to design a universally accessible ticket machine ?

Good level access

Inconsistent surfaces

WE CAMPAIGN FOR A BARRIER FREE ENVIRONMENT

These are some of the projects we are proud of:-

- We were involved in setting up "The Norfolk Coalition Of Disabled People"
- the Access Guide to Norwich
- Norwich Shopmobility
- Improved access at The Forum

- Ramp at the Yacht Station
- Ongoing dropped kerb programme with Norwich City Council

We are looking for active members to join, and become involved, with making Greater Norwich an accessible place to live, work and play.

We meet at:

The Vauxhall Centre, Johnson Place, Vauxhall Street, Norwich NR2 2SA
7-9pm on 2nd Tuesday each month except August and December.

Accessible transport can be arranged by contacting NAG, see details below.

Check out our website at www.norwichaccessgroup.org.uk

To contact our Chairperson, phone 01603 413485 or preferably email at norwichaccessgrp@btinternet.com

NAG is supported by Norwich City Council

Funding for this leaflet was kindly donated by the Norfolk Coalition of Disabled People
